KNOW YOURSELF

A career brings together all the experiences you have over your lifetime.

This includes your family life, friendships, culture, community activities, leisure choices, work and learning.

These experiences shape your values and help you gain new skills.

Think about activities that interest you at school, in your free time or in a job you already have.

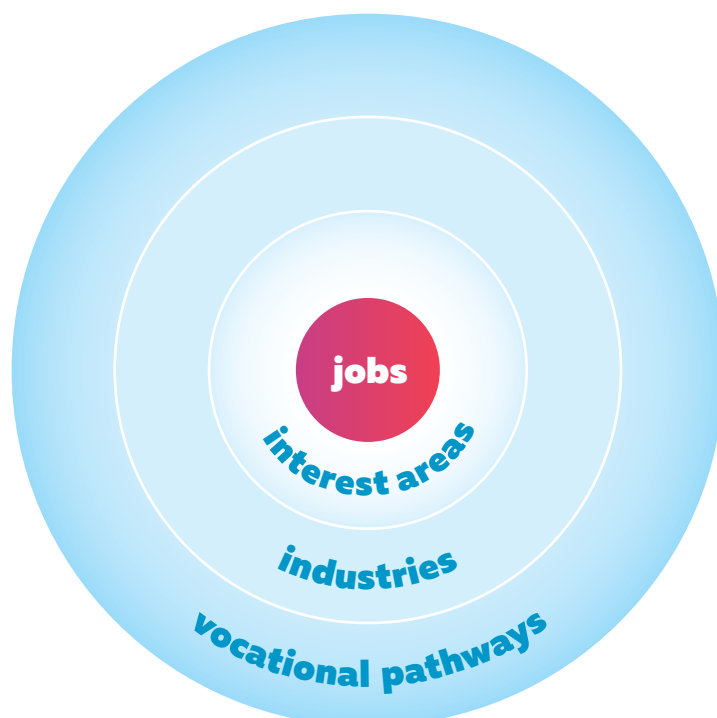

GET CAREER IDEAS

Jobs by Interest organises over 400 jobs into interest areas, industries and vocational pathways.

Each industry page lists some of the tasks involved to get you thinking about what work you enjoy.

For example, if you like looking after people you might be interested in a job in health.

At the back you can write down your favourite jobs then go to **careers.govt.nz** to find out more.
